

*an lgbtq spiritual conference*

*answering the call to greatness*

*There is a cry for liberation coming from our Souls*

**LIBERATION 2010** ...it's more than a conference - It's one of the first global, LGBTQ spiritual gatherings dedicate to the revelation of wholeness and the healing of LGBT-phobia. It is created to heal us finally of the limiting false beliefs that our gayness is somehow a mistake or an accidental curse ... so that we can get on with what we are here to be - **powerful and free.**

*Come spend a transformational evening as your first step on the path to your own liberation.*

- Be inspired by the vision of a world free of lgbt-phobia
- Learn how you can be a part of this vision
- Embrace, forgive and declare the past over
- Answer your own call to greatness
