

Mens Speed Dating

Meeting people through speed dating is a unique alternative to bars and on-line sites. Participants “date” for five minutes. At the conclusion of each “date,” speed-daters complete a “match” sheet. At the sound of a bell, participants begin their next date! At the end of the event, “match” sheets are given to the event manager. Within 48 hours speed daters get an email with their “matches.”

When: Sunday, July 23, 7-9:00 p.m.
(social hour immediately following)
