

# A SUNSET VIGIL OF REMEMBRANCE FOR THOSE WE RECENTLY LOST TO LGBT TEEN SUICIDES

**FEATURING A FLOWER OFFERING TO THE SEA\***

Let's gather together for this special event to honor these young men and women who we lost much too early. In doing so, we make a strong statement that bullying and taunting based on sexual orientation or gender expression will not be tolerated

**WHEN & WHERE:**

October 20, 2010 at 5:30 pm  
Granada Beach Boat Launch, Long Beach  
(Ocean and Granada – across from Ripples)

**ORGANIZED BY:**

The Center Long Beach, Councilmember Robert Garcia,  
and Long Beach Lambda Democratic Club

*\*The event will culminate in an offering of white flowers to the sea.  
We invite you to bring a single stem white flower, and wear purple.*
