

Transgender Day of Remembrance

Friday, November 19th, 2010

6:00 pm - 7:00 pm

BIXBY PARK

130 Cherry Avenue • Long Beach, CA 90802

Please join us for a vigil in observance of Transgender Day of Remembrance. Throughout the world, people gather every year to pay respect to those needlessly killed by hate crimes against the transgender community, and to call attention to the threat of violence faced by gender-variant people.

What is Gender Identity and Gender Expression?

Gender Identity is your internal understanding of your gender. You can know yourself to be male, female, both, or something else regardless of what gender other people tell you that you are.

Gender expression is the way you show people your gender. Most people express their gender in some way through how they style their hair, the clothes they wear, the way they walk, or their name.
