

LGBTQ Students - Speak Out!

Take Our Online Survey!

Tell us about your experiences in school by completing GLSEN's 2011 National School Climate Survey online.

Help us to inform education policymakers and the public about the challenges facing LGBTQ students in schools by telling us about your school experiences.

If you were in high school or middle school during the past school year (2010-2011) and are 13 or older, please go to:
