

Free Legal Clinic at The Center

The Center provides a free legal clinic, available to all.

The Clinic meets the 1st & 3rd Wednesday evenings of each month at The Center, from 8PM to 9PM. Please be on time.

Each available appointment is 15 minutes. Clients meet in a private room with a licensed California lawyer who volunteers for the clinic.

For that 15 minutes, the client can ask any question about anything and receive legal advice. The law guarantees confidentiality.

If the client's issue requires more, The Center provides referrals to local gay-friendly lawyers who work for fees or to local legal aid services.

To make an appointment, please call the front desk at 562.434.4455.
