Dear Friend

It is the mission of The Gay and Lesbian Center of Greater Long Beach to provide services to support, inform and connect the lesbian, gay, bisexual and transgender communities through programs of information and education, physical and mental well-being, cultural and social activities, and social justice resources. The Center Long Beach recognizes that it could not provide services without the support and generosity of our donors and benefactors. You can make a difference today by becoming a Center member, a sustaining donor or joining our Benefactor Circle.

The Center Long Beach has a new Membership Campaign. For an annual fee of \$35.00 you will be entitled to special member benefits including local business discounts, invitations to special member events, and a monthly e-newsletter. You can also support The Center Long Beach by becoming a sustaining donor through a monthly, on-going contribution or by joining our Benefactor Circle, which includes four new levels of giving. For more information about these levels of giving please visit our website at www.centerlb.org. Thank you for stepping forward and making a difference through your commitment to support The Center and the thousands of people we serve on an annual basis. Please read below to find a membership level that fits your budget, fill out the attached application and send it to the address on the bottom of this page.
