About AIDS Food Store Long Beach:

In November 1985, **AIDS Food Store Long Beach** was born, with a commitment that no one in the Long Beach area living with HIV/AIDS disabilities would ever be without food, love and support.

Their clients are men, women and children whose lives have been impacted by HIV/AIDS disabilities. Today, after two decades of distributing many tons of food to thousands of clients, AIDS Food Store remains true to its mission...

AIDS Food Store relies on agencies, foundations, groups, churches, businesses and individuals to assist with ongoing donations of food, supplies and financial support. They receive no government funding and have no paid administration.

Today, AIDS Food Store is the longest serving HIV/AIDS food provider in Southern California!
