

APRIL 2019

Dear Center Community,

Join us in supporting our Community Partner: The [Museum of Latin American Art \(MOLAA\)](#). MOLAA is proud to present the exhibition [Chiachio & Giannone: Celebrating Diversity](#) - comprised of the series Familia a 6 colores - a set of textile mosaics - and Banderas del orgullo, a group of flags in different formats made in collaboration with the Long Beach community. Here, the family is represented by a constellation of artists united by their belonging to the LGBTQ+ community.

As a work in progress, this large participatory installation will add the voices of many authors and grow with the participation of the community. We will be hosting a Center Day on Sunday, April 14th from 12-2pm at the MOLAA and work with Chiachio & Giannone on the Pride Flag they'll have at the Long Beach Pride Parade on May 19th. Join us in making the largest Pride Flag in Long Beach and share your message about diversity!

When: Sunday, April 14th

Where: [Museum of Latin American Art \(MOLAA\)](#)
[628 Alamitos Ave, Long Beach, CA 90802](#)

Time: 12 - 2PM

Entry: Free with museum entry
